We offer condolences on the passing of:

- Lily (Klein) Pinkes, aunt of Debbie Levy . Lily passed away at the age of 96.
- Marilyn Leafer, sister of Stan Muchnikoff. Marilyn died on December 8 at the age of 88.
- Leona S. Green, beloved younger sister of Selma Ryave and aunt of Rosalynd Richman. Funeral Services were held in Cleveland Heights, Ohio on December 16.
- Mary Sisson, mother of Renee Frank. Mary passed away on December 5 at the age of 95.
- Philip Alkon, husband of Sally Alkon and long-standing member of Temple Beth-El. Phil passed away on December 2nd.

May their memories be for a blessing.

In order to ensure that the name of your loved one will be recited during services, we have instituted the following practices:

- The Hebrew dates for each week’s Yahrzeits are listed in each Adelante.
- Names are read on the Shabbat **following** the Yahrzeit, or on the day, if it falls on that Shabbat.
- Hebrew vs. conventional (Gregorian) calendar: The temple’s tradition is to base the Yahrzeits list on the Hebrew calendar. Those who wish to have a name read on a Friday night close to the conventional (Gregorian) calendar date are asked to please email admin@tbelc.org or call the Temple office.

*Asterisks indicate that a loved one has been permanently memorialized with a plaque in the Temple sanctuary. If you are interested in acquiring a plaque for your loved one, contact the Temple office. Current TBE members may purchase a plaque for \$360. Non TBE members may purchase a plaque for \$600.

Sisterhood Message

Happy New Year 2025

Well well, esteemed ladies... January is here and we are cooking up all sorts of exciting and engaging activities for all of you and all the women of Temple Beth-El.

Starting with **January 11th**, we look forward to cutting a rug with everyone at the **Decades of Dance Sock Hop**. Come as you are or come as you WERE way back when. Dance and schmooze, eat and drink, and generally have fun as a community! We need a count by January 3rd. Call or text Lynn Zeemont or Stefani Singer. Pay \$20 per person in advance or pay at the door. We are FLEX! Kids get in free with adult supervision.

Then, on **February 2nd, from 12:30 - 3:00 pm**, Sisterhood and all Women of TBE are invited to the Temple for **HOT SOUP and COOL BOOKS** ... a gathering to share our favorite meatless soups and trade one or two of our favorite, gently used books. See the enclosed flyer. This is a FREE activity, so let's cozy up for a warm afternoon including lunch and books and maybe even a surprise!

Your Sisterhood Team is starting a Rosh Chodesh group here at our temple for all women members. Rosh Chodesh is Hebrew for "Head of the Month" and marks the New Moon at the start of every Hebrew Month. Centuries ago it was the custom of honoring women who didn't work on Rosh Chodesh. Rosh Chodesh groups, worldwide, are gatherings of women who engage in a wide variety of activities that center around issues important to Jewish women, including a particular interest in the Shechinah, the feminine aspect of G-d. We will explore spirituality, rituals, health issues, music, chanting, art, cooking, creativity and basically having fun in the company of like-minded women.

Our first meeting will be Rosh Chodesh Adar on **Saturday, March 1st, 4:00 to 5:00pm** at the temple. If you're interested in joining a Rosh Chodesh celebration or have questions, please call or email: Lenore Hindin at 575-888-4644 or lenoreh@cruzio.com.

Watch your email for the minutes of our December meeting. If you have an interest in joining the Council, we welcome you. We are also looking for one or two women to share in running the Gift Shop along with Lenore Hindin. Lenore has some great ideas to compliment the sales program that Michele Blum has run for so many years. We need your help.

Shalom and whomp bomp-a-lu-bomp!
Your Sisterhood Council

Piatigorksy Foundation Concert

It might be a good idea to highlight January 20th on your calendar because that is the day that Piatigorksy Foundation musicians,

Linda Rosenthal, violin, and Maxim Pakhomov, piano, are coming to Temple Beth-El to present a concert. It begins at 3 pm and will be followed by a reception so that you can meet with the musicians. It's all a part of their New Mexico tour which will be taking them to Carrizozo, Truth or Consequences, and perhaps even Vado. We've been fortunate over the years to have a number of Piatigorsky Foundation musicians perform at Temple Beth-El. The concert is sponsored in part by the Social Action and Adult Education Committee. Please contact Susan Fitzgerald at 575-405-1739 if you have any questions.

Camp Hope Christmas Breakfast

Beth-El Artisan Marketplace

After months of planning, the first Temple Beth-El Artisan Marketplace event and fundraiser took place on Sunday, December 8. We had twenty-one artisans including artist members of the temple and community artisans displaying their unique works. There was a wide variety of media represented including painting, photography, glass and mosaics, original prints, wood creations, ceramics, jewelry of many types, and gourd art.

If you were there, you probably noted how well-attended the event was by not only temple members, but many from the Las Cruces community due to the outreach efforts of our hard-working committee and the artists themselves. Sales were brisk for many of the participants especially in this preholiday season. Hardly any customer left without carrying something out wrapped up.

We thank all the artisans for their participation as well as their donation of one original work which we placed in a silent auction. Between table registrations, the silent auction and door donations we grossed just over \$2,000.

An ENORMOUS Thank you goes out to the Mensch Club guys who provided their strong arms to clear out every chair in the sanctuary to make space for the tables and convert the entire room into a show place for the artists.

All in all, it was a very successful first-time fundraising event that could be built upon for the future.

An important part of our future is represented by bequests made by members.

Thoughtful bequests enable Temple Beth-El to retain a future of Jewish life for generations to come.

From funding our Rabbi to scholarships at our religious school, your generous gift maintains our financial health.

A simple codicil can be added to your existing will, if you wish to make a bequest, such as:

“I give and bequest to Temple Beth-El, located in Las Cruces, New Mexico, the sum of \$ ____ [or ____ percentage of my estate as finally determined for federal estate tax purposes].

A will or codicil should be prepared by an attorney.

Please call the Temple office at (575) 524-3380 to discuss including Temple Beth-El in your estate.

New Years Letter from Nan Rubin

Dear Friends,

Six months ago I left Las Cruces and moved into the Boston Home, a specialized nursing facility in Dorchester, a neighborhood of Boston. This is a special place designed specifically for people with MS and other neurological conditions, who also use Power chairs. Imagine 95 people of all ages and physical abilities who are also zipping around inside and outside, up and down the halls in motorized wheelchairs- Welcome to The Boston Home!

The food isn't bad, and they serve cocktails two or three days a week. More than physical care, there are doctors who come here regularly to check on our wounds, our eyes, our feet, our meds, our physical condition and our mental health. There is also an on-site workshop dedicated to keeping our wheelchairs running that can fabricate any special adaptations we might need both to use our communications devices as well as stay mobile. This is where I live now. It was very difficult for me to leave Las Cruces, but moving here was definitely the right decision and I am finally settling in. My roommate has been here six years, another single woman with no children, and she has been a big help orienting me to the daily routine and helping me remember the names of all the aides and staff who help us. (There are four women named Mary; six women named Marie; and two named Maria. Plus, on my hallway there are two residents named Elizabeth, two residents named Mark, and two residents named Nancy. Adding "Nan" has not been easy!)

Activities vary. There is a painting group, two writing groups, people who play cribbage and Scrabble, outings, and many musicians who come in to perform.

But one of the most satisfying opportunities here is the chance to be involved with research projects. I was asked to be the subject of a project by a team of engineering students at Northeastern, who were designing a wheelchair device to remind us all periodically to tilt back in our chairs (an important function for people sitting in wheelchairs all day). Their professor thought they did a terrific job figuring out how to provide us with visual and audio signals, and I had fun playing with the gyroscope attached to my chair.

I have also been accepted in a Stage 2 Study of MRIs of people with MS, conducted by a neurological institute in Buffalo. They have paired up MS residents from The Boston Home with a similar group from Buffalo and will compare our brain scans to identify various stages of the disease –if they can. In addition to being scanned in a tiny MRI they brought, while they were here the Buffalo people gave us a battery of cognitive tests. When they have some results, I will be eager to find out how my brain is working both inside and out.

To keep myself busy, along with the only other Jewish resident we prepared a presentation about Hanukkah

which was very well attended. I have also put together a small ad hoc group of new residents (though at six months I am no longer a 'newbie') to draft an FAQ with some basic logistical information about The Boston Home that will help new residents get oriented, such as the different basic responsibilities of the aides and nurses, and how to have your name put on new clothes before you send them to the laundry. We have received nothing but positive encouragement for this project so I hope we can complete it early in the new year.

I would love visitors and mail! You can find the Boston Home at 2049 Dorchester Avenue in Boston, which is also my mailing address zip code 02124. I miss New Mexico very much and wish you all the very best for the new year.
