Dear prospective member,

We are delighted that you have an interest in joining our Temple Beth-El (TBE) community. You've probably heard something about TBE already, but here's some information that might be new to you.

**Temple Beth-El Mission Statement**

- Temple Beth-El is dedicated to creating and maintaining an intimate and involved Jewish community.
- We strive to be a place where spiritual growth, tradition and ritual provide meaning and comfort to every person who comes through our doors.
- Temple Beth-El encourages its members to learn, celebrate, serve, and grow together, so that each person will have the fullest opportunity to share the beauty of Jewish expression.

TBE is affiliated with the Union for Reform Judaism (URJ) which is the national organization for Reform Judaism. However, our members bring many different spiritual experiences with them, each adding to the richness of our services and programs.

**Eligible applicants** must be of the Jewish faith and age 18 or older. A Jewish person is defined as one who has at least one Jewish parent or who has officially converted to Judaism. The family is the unit of membership. A family can be a single Jewish person age 18 or older with or without dependents; a couple of at least one Jewish partner with or without dependents. We welcome interfaith families.
